

About Us

Northwest Specialty Surfaces based in Spokane Washington, specializes in custom epoxy flooring, countertops, back splashes, shower surrounds, and concrete overlay repairs and finishes. We have 10+ years of experience in residential and commercial remodeling, woodworking, and custom furniture building.

Our team of factory certified professionals provide superior speciality coating application services for both residential and commercial clients. We use only the highest quality materials available to ensure that our work is built to last and looks great for years to come.

We are proud to offer a wide range of custom American made surface options in terms of colors, textures, and designs for our projects. When we are finished, you will not only have a beautiful and durable floor, countertop, or shower, but you will also have something unique to show off to your friends and family.

Our commitment to excellence in value, customer service, craftsmanship, and quality materials is what sets us apart from the competition. We take great pride in our work and strive to provide a positive and outstanding experience for each and every customer.
